What is AWANA?

AWANA is.....

An outreach ministry

A discipleship tool

A biblically based ministry

AWANA provides fun and structure for the children and all who serve. As the children have fun, they are consistently learning the Word of God all evening.

THIS IS AN INVITATION

Your family is invited to one of the most exciting children's ministries around!

Here your child can grow up in the Lord, individually and together with you.

AWANA Time!

OPENING CEREMONY

This time begins with prayer, announcements, and the pledge of allegiance to the American and the AWANA flag.

The AWANA theme song will be sung as well.

GAME TIME

This time is an awesome opportunity for all children to get involved no matter the athletic ability. Game time cultivates teamwork, sportsmanship, and new friendships.

HANDBOOK TIME

Here children work one-on-one with a trained leader. AWANA emphasizes memorizing and understanding key Bible verses that teach children to know, love, and serve the Lord Jesus Christ.

COUNSEL TIME

Children and leaders gather together for worship, announcements, awards, and presentations of practical Bible messages.
